
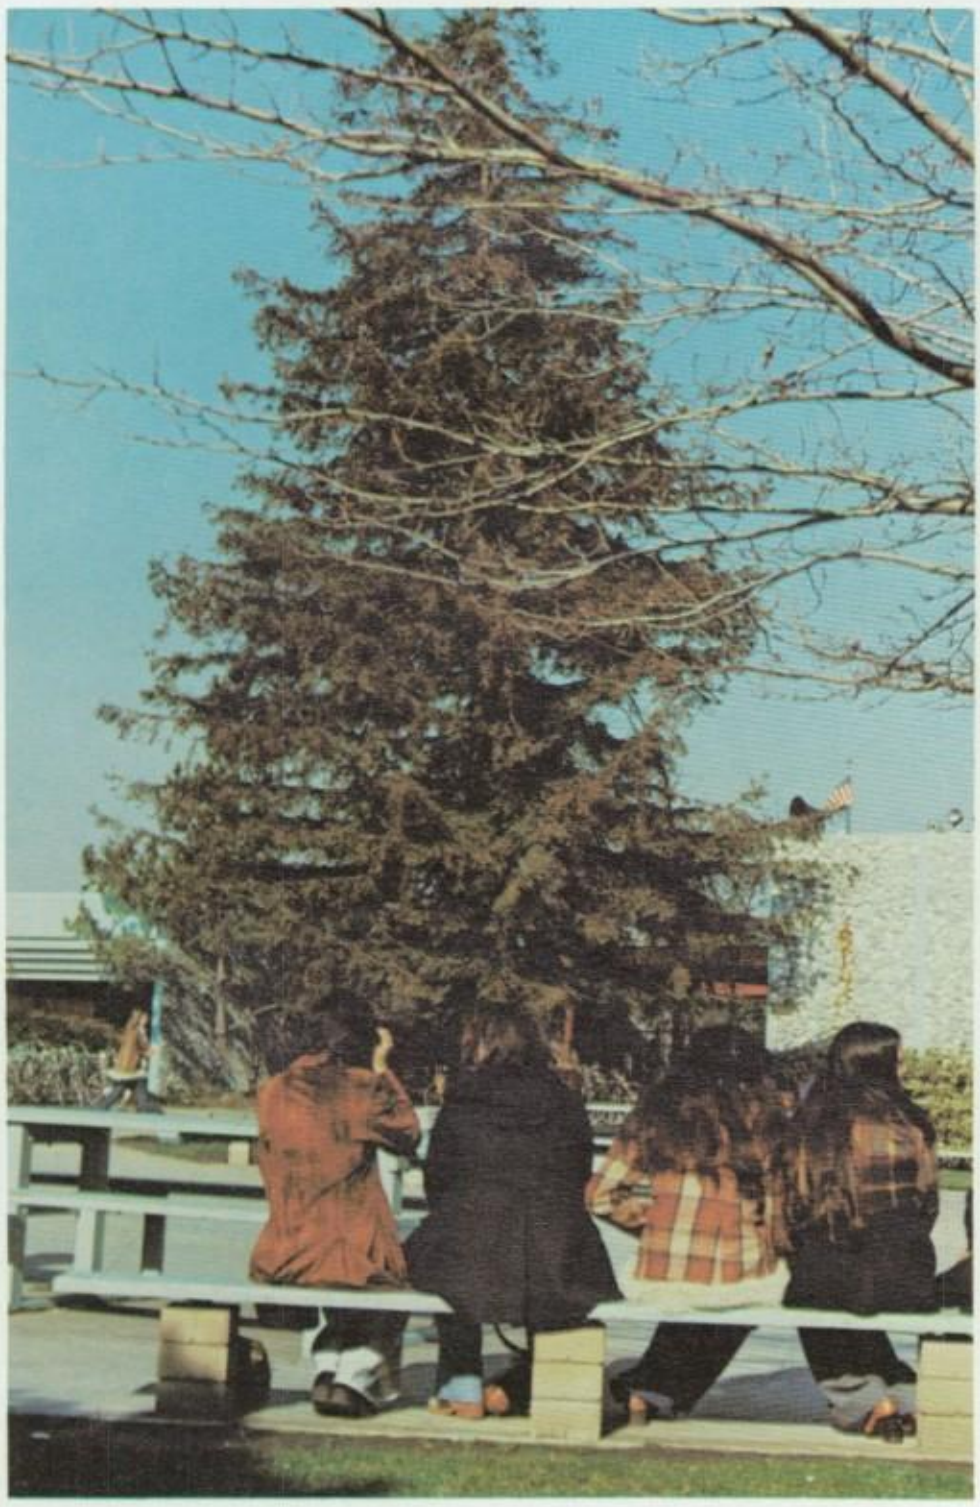
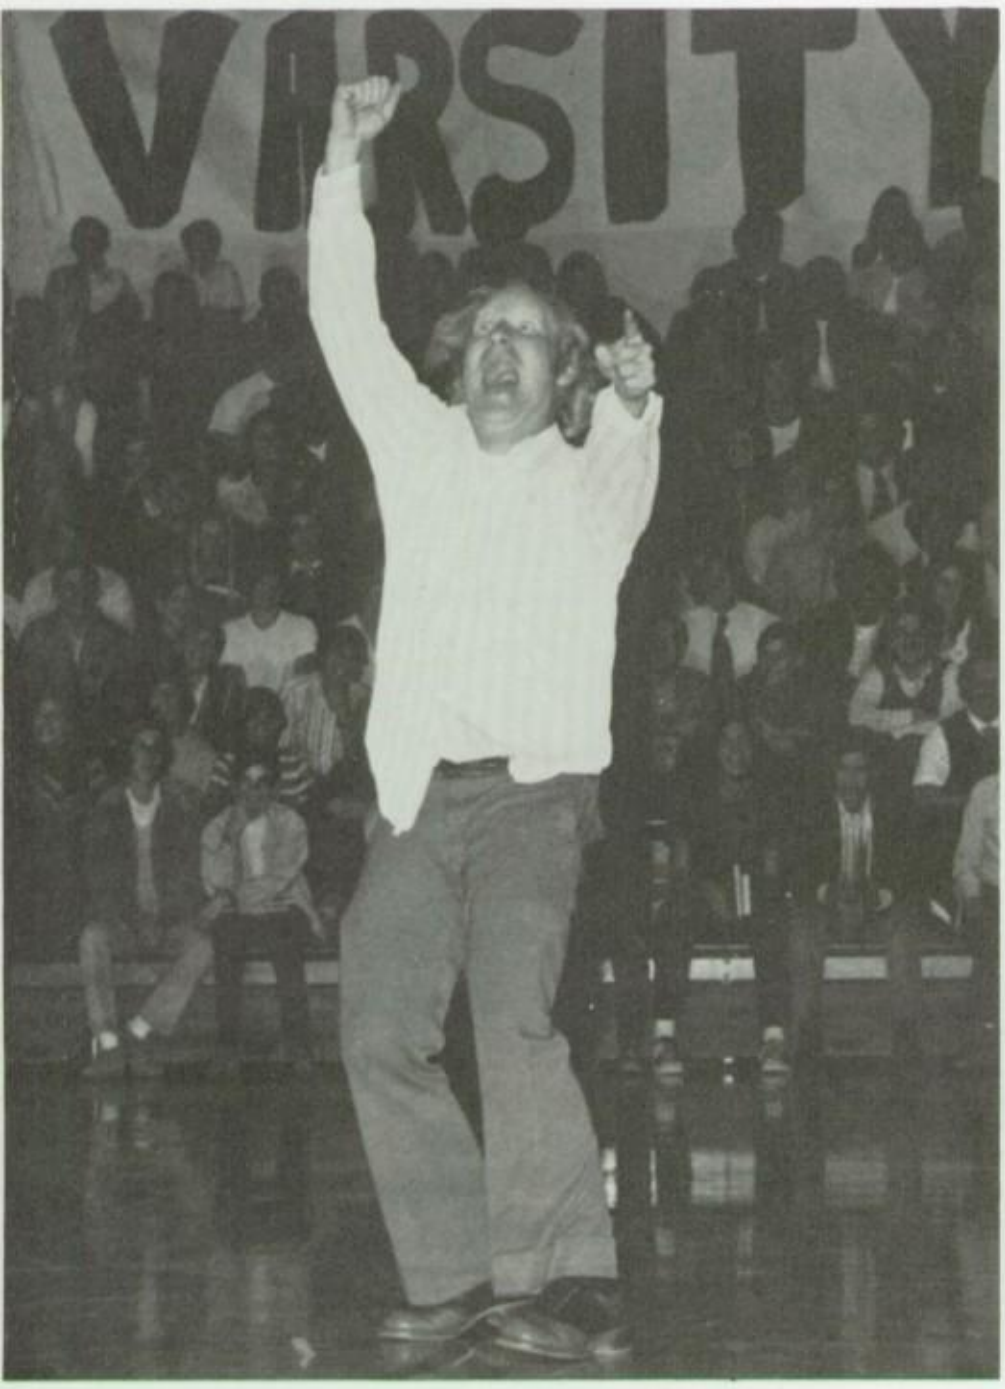
Kodiak
1974

All is altered . . .
has another cast
our elders' days will
never come again.

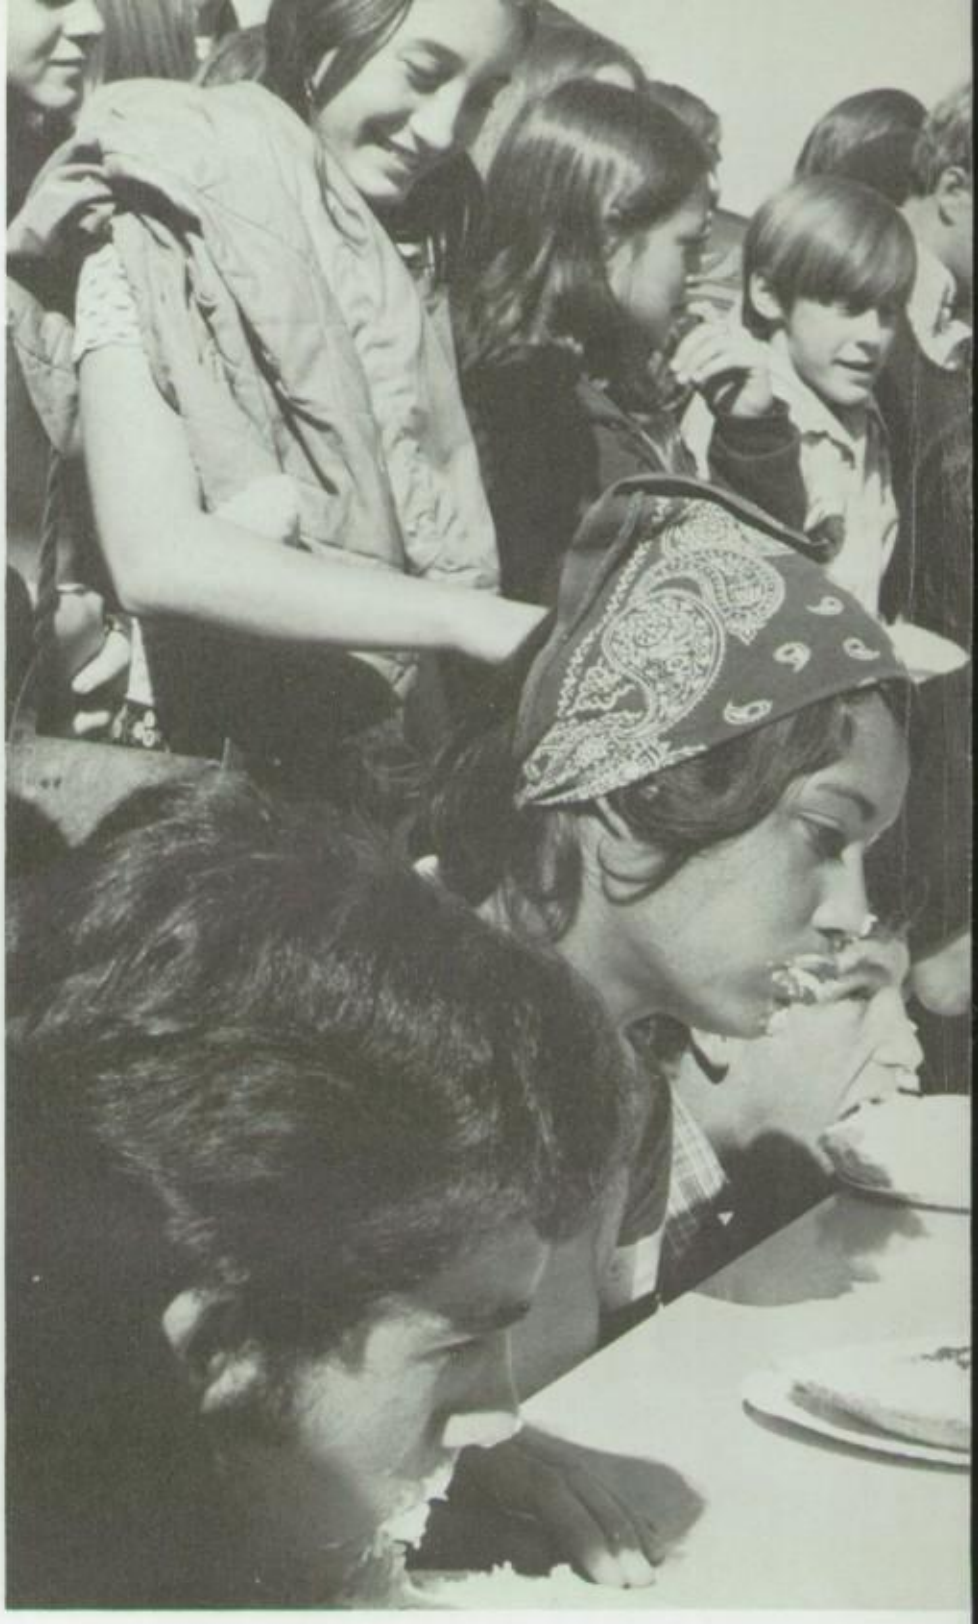


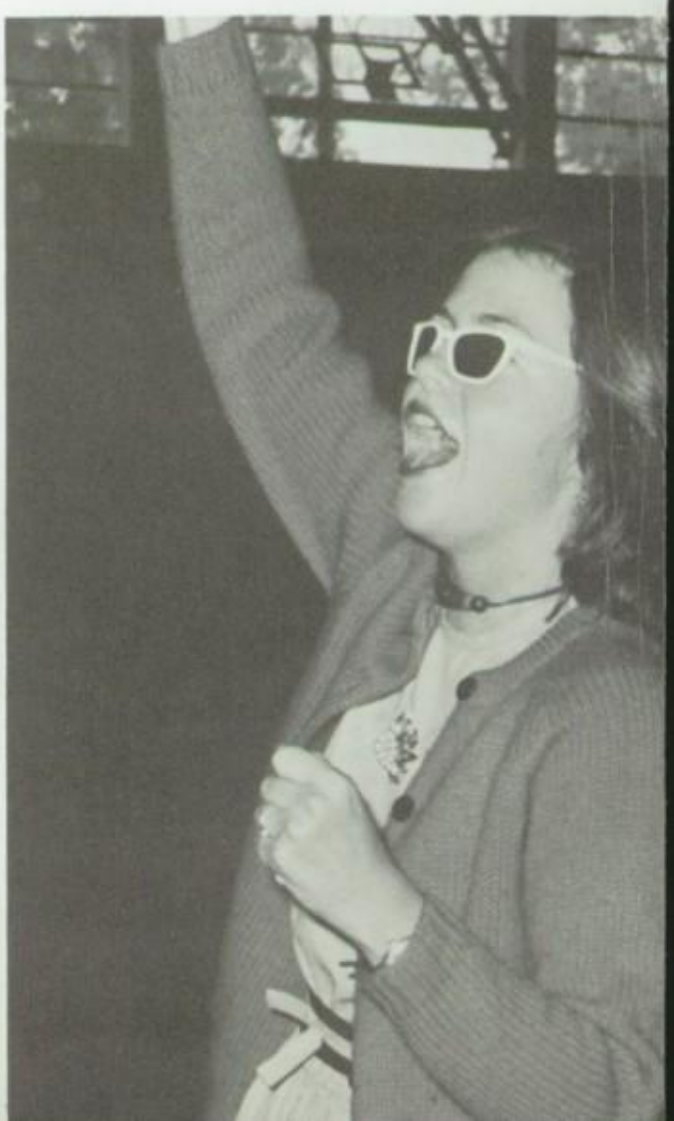
Kodiak—1974

EMIL R. BUCHSER HIGH
SANTA CLARA, CALIFORNIA



VARSITY

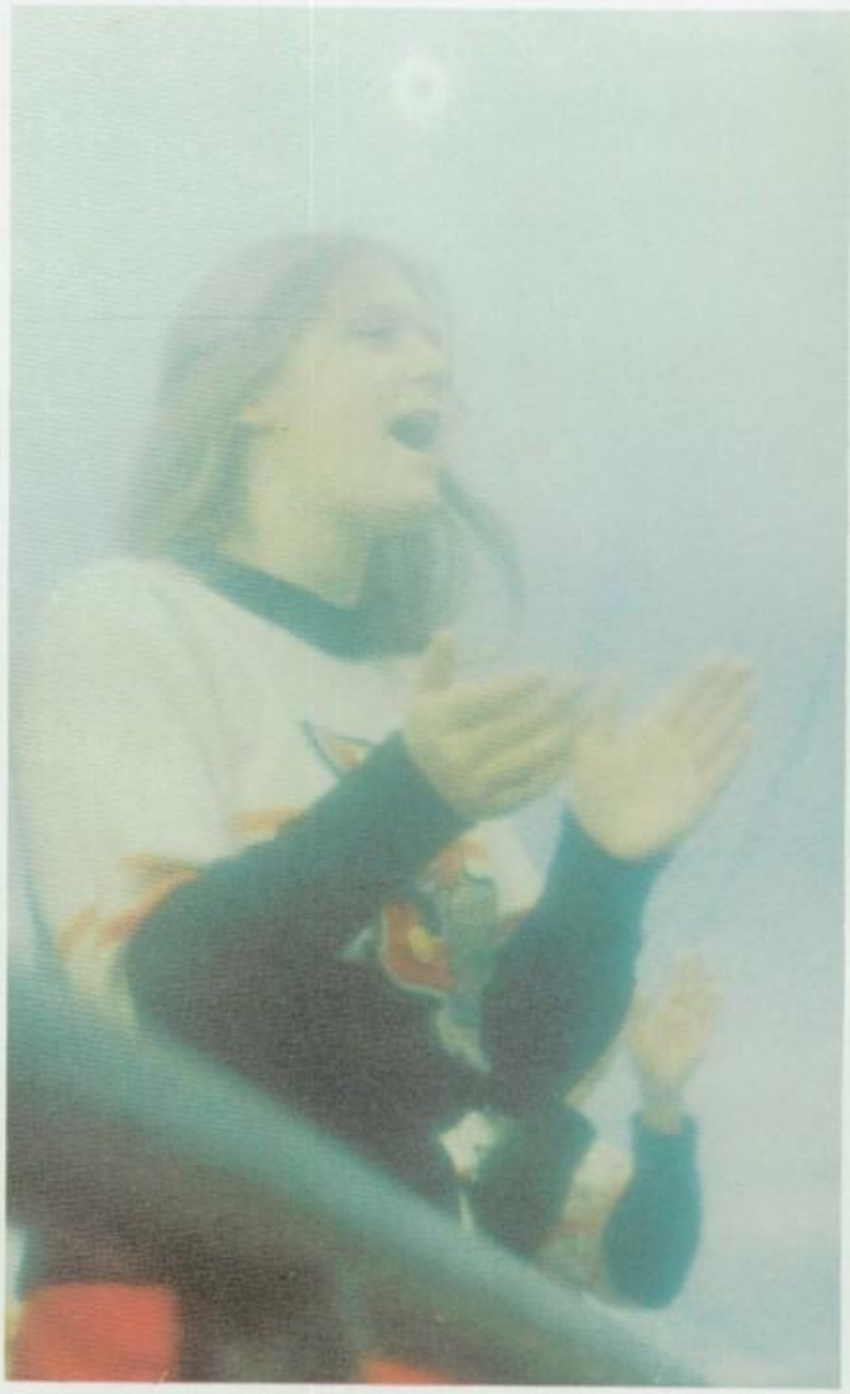


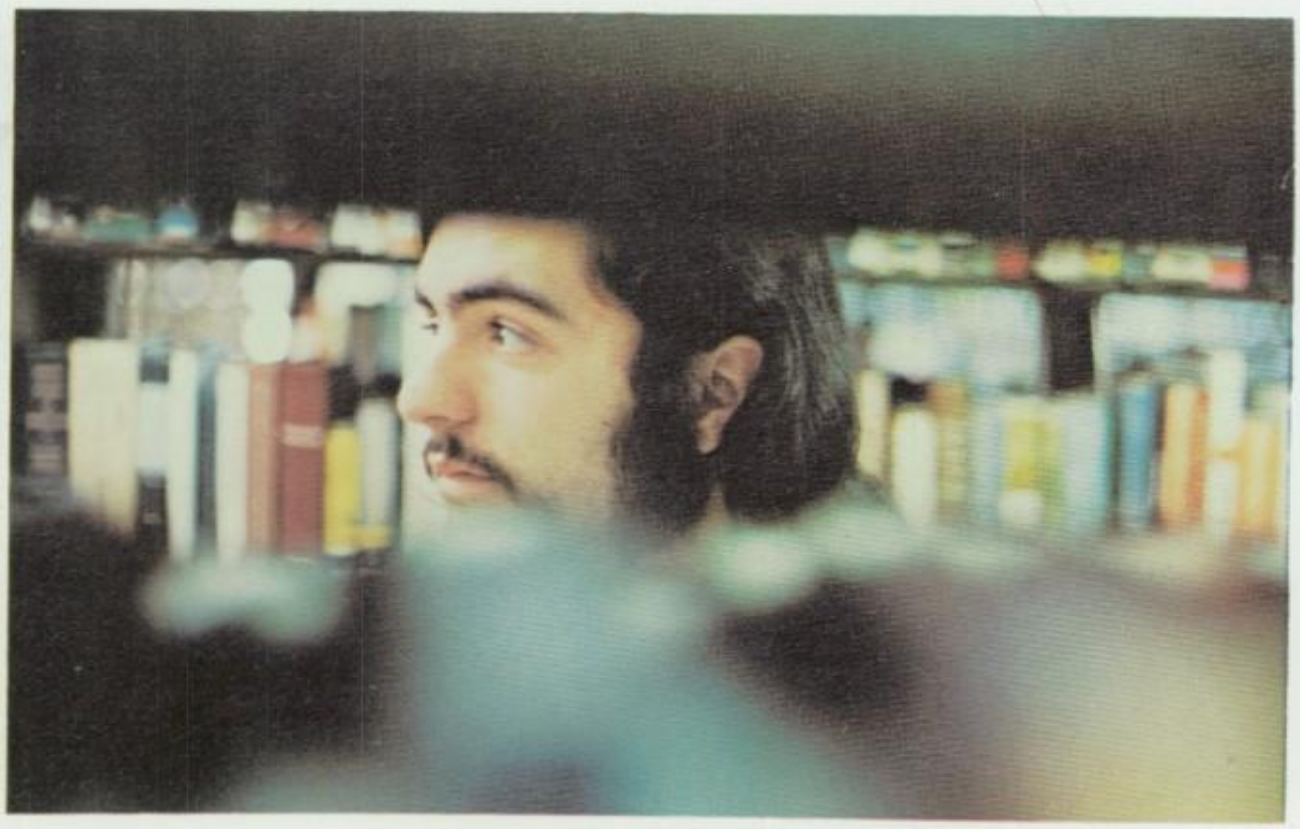


Our dilemma is that we love change
and hate it at the same time.
What we really want is for things
to remain the same, but get better.

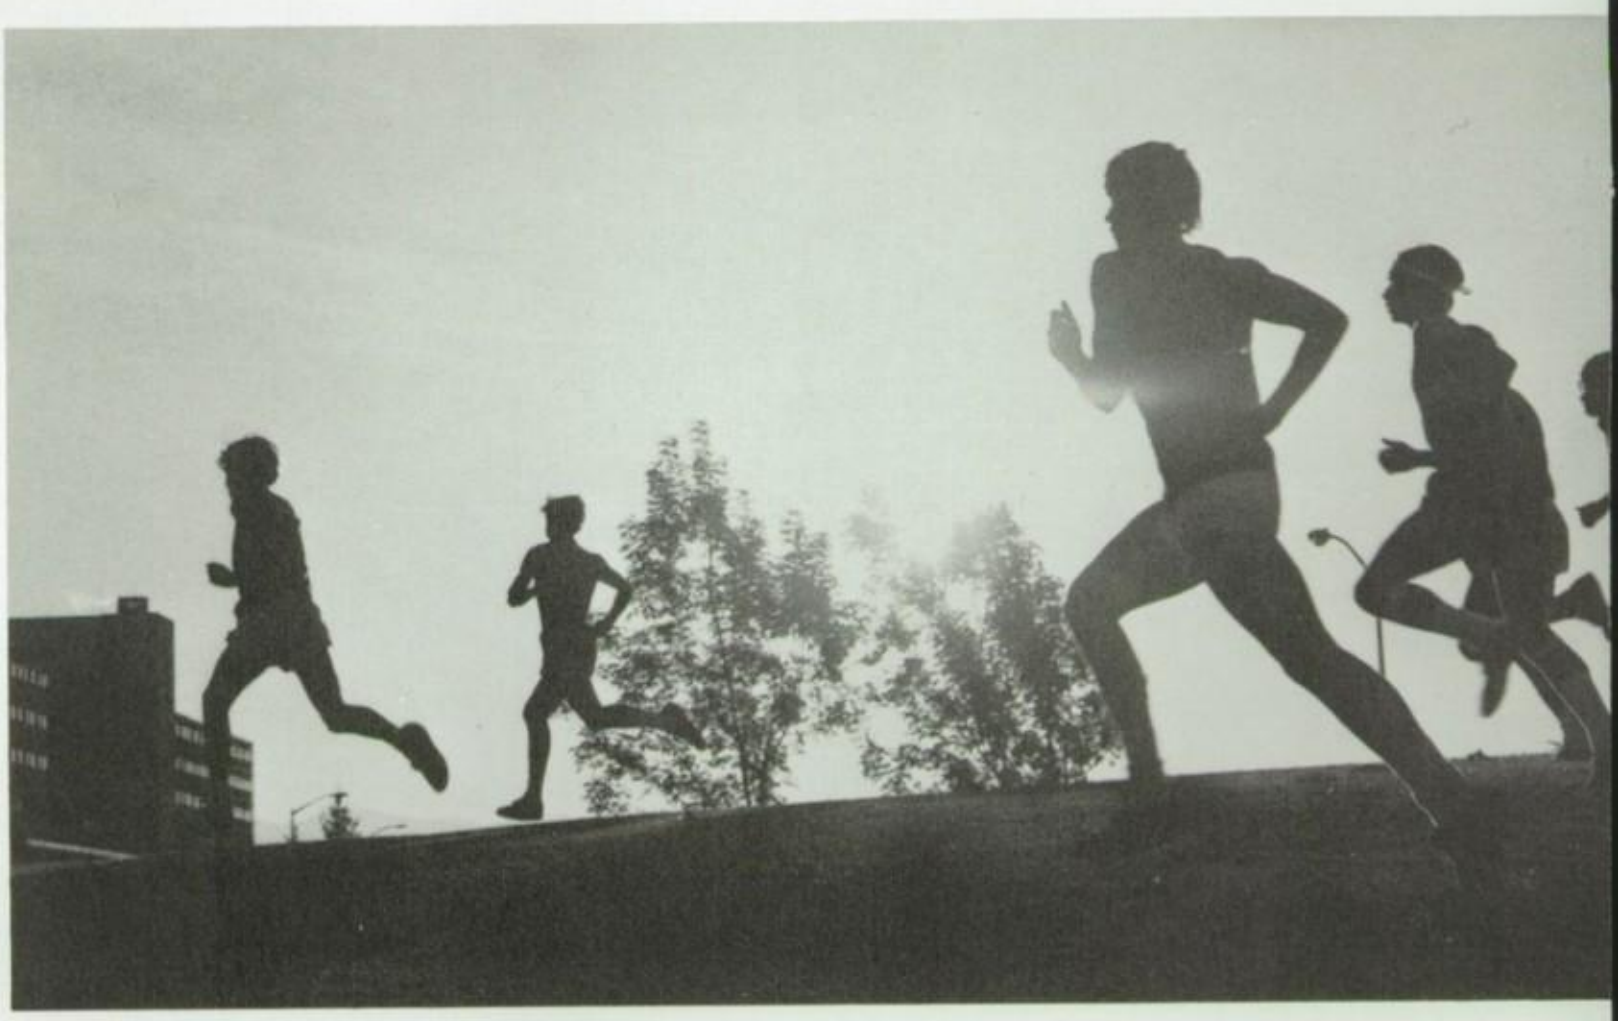
The tides of time
shall always alter
our World . . .

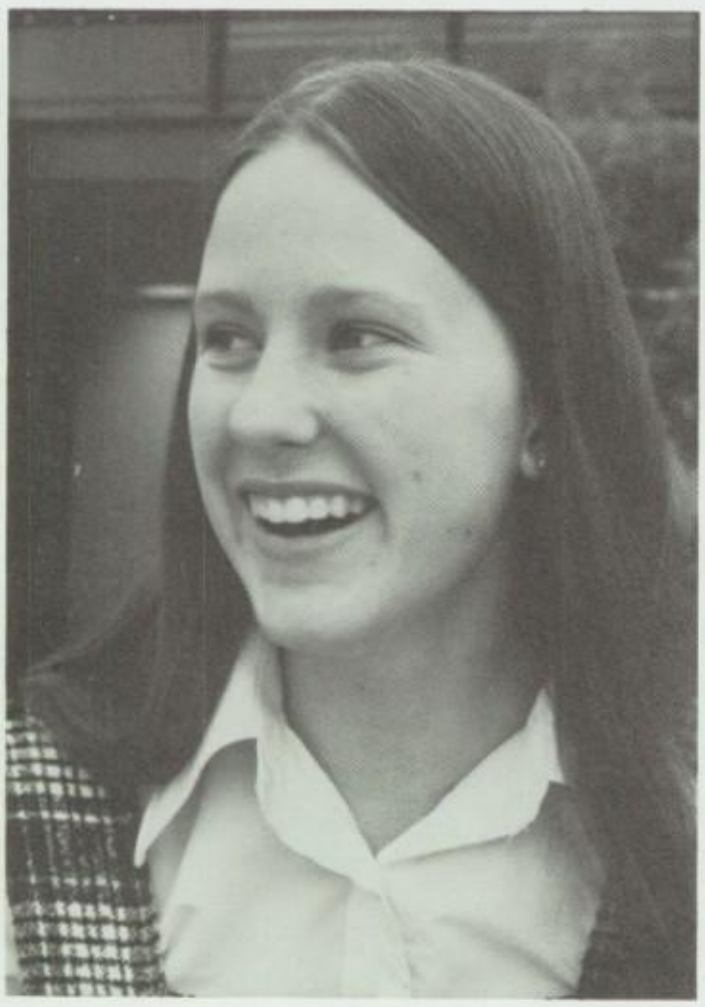
. . . our School



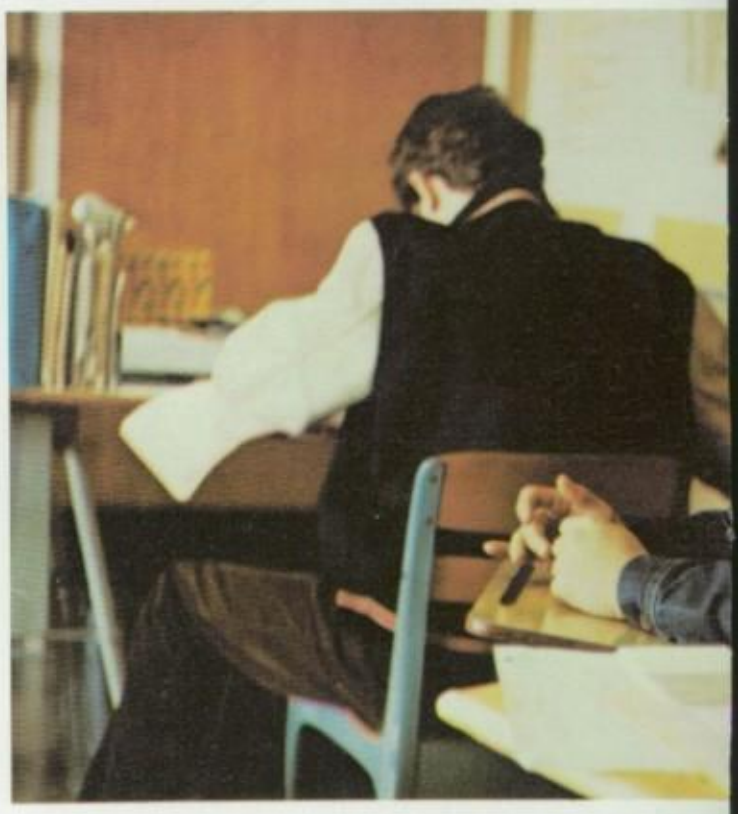


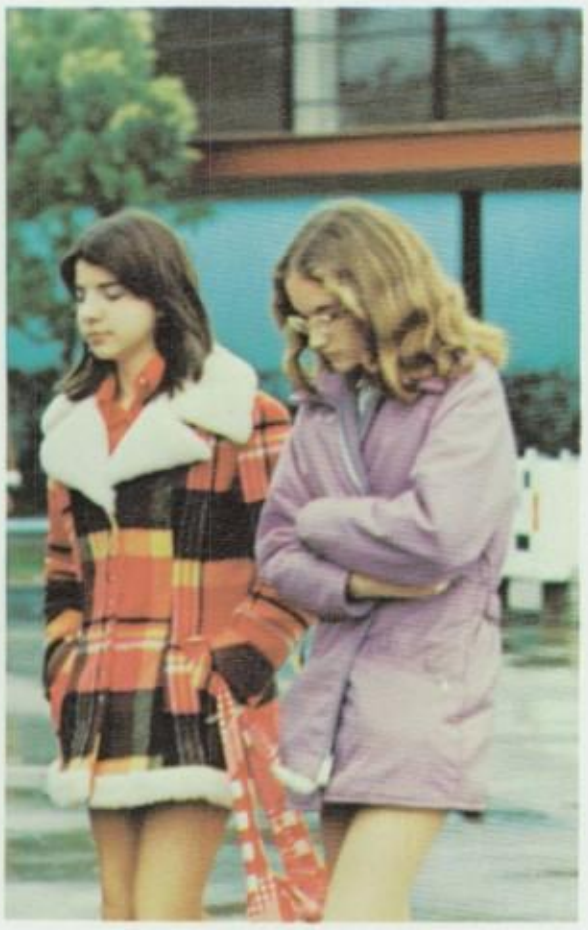
. . . and Us.

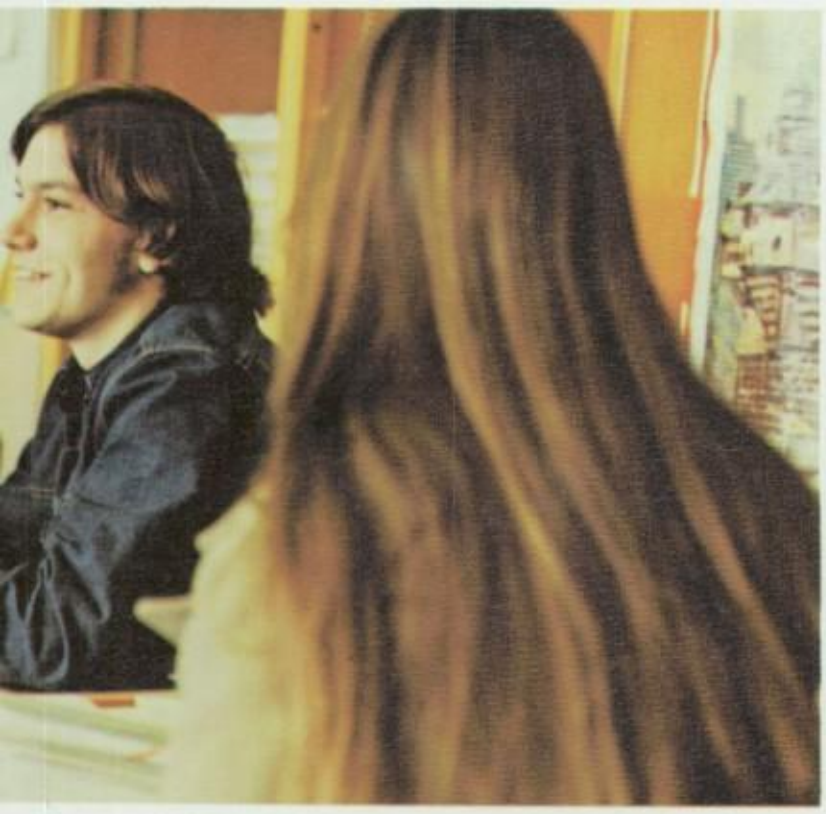




Though time changes
people, it does not
change the image we
have kept of them.
Marcel Proust



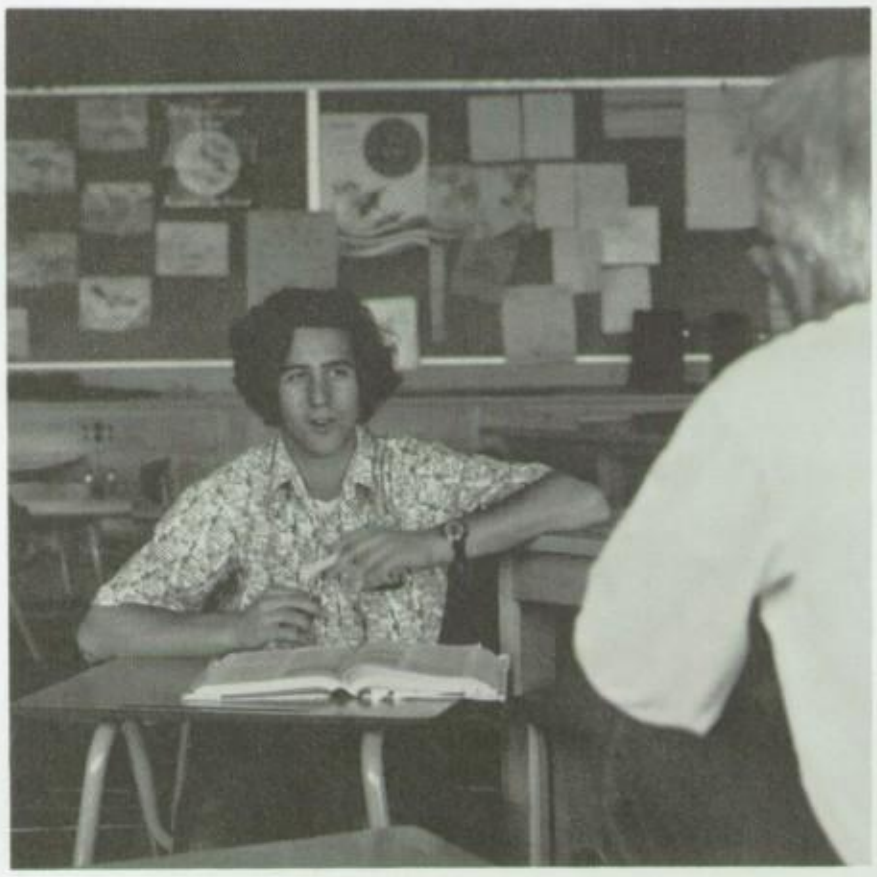




. . . Now old friends are acting
strange
They shake their heads, they say
I've changed
Well something's lost but
something's gained
In living every day.

Joni Mitchell

We change more in these years . . .

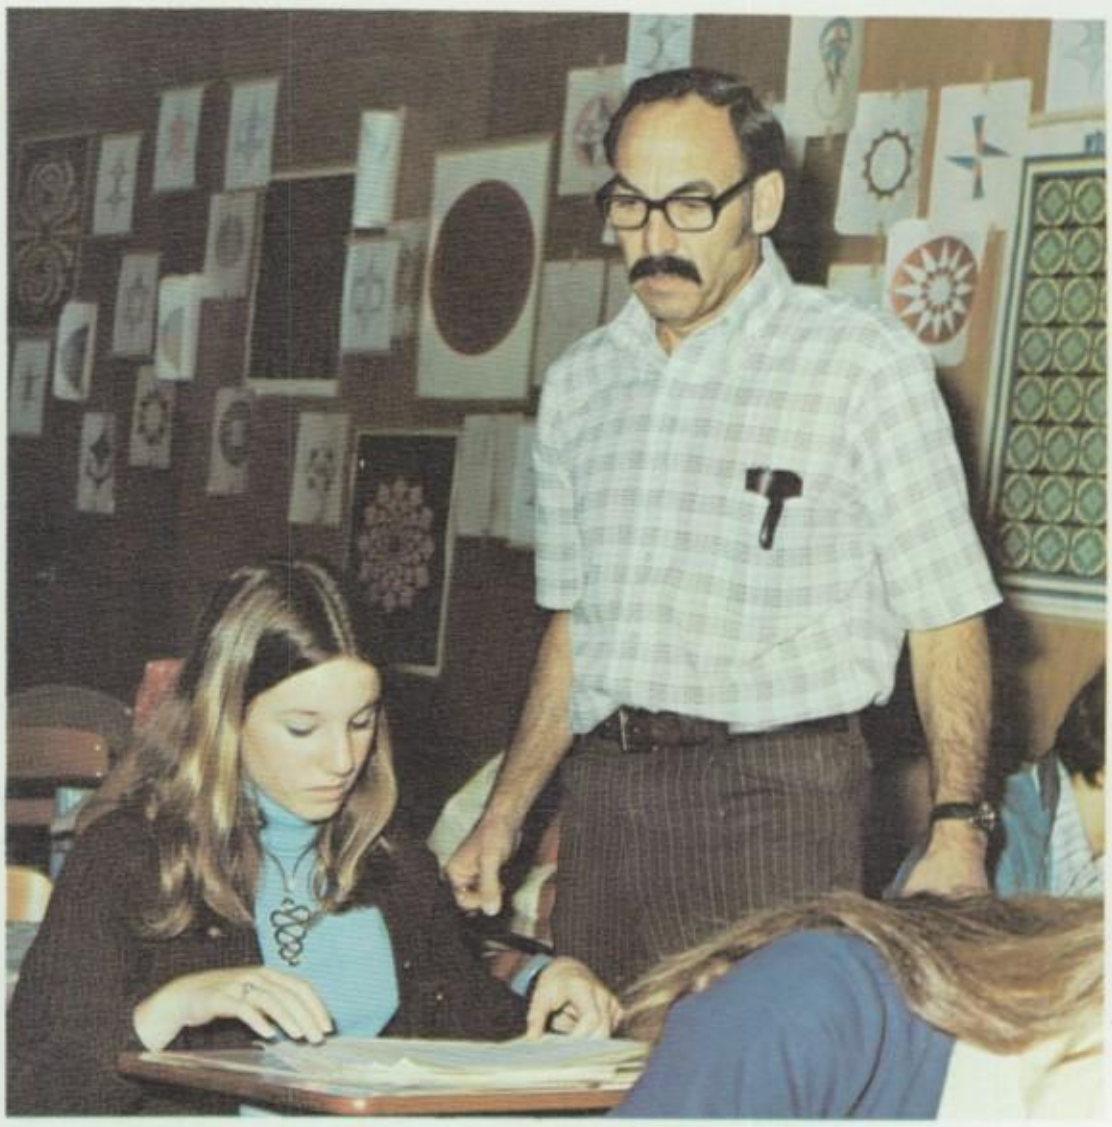


. . . than we ever change again.

A.M.

Change

in people



was Buchser

in 1974.

Don't you feel a change a comin'
from another side of time
Breaking down the walls
of silence,
lifting shadows from your mind
Placing back the missing mirrors
that before you couldn't find
Filling in mysteries of emptiness
that yesterday left behind

And we all know it's better
Yesterday has past
Now let's all start living
For the one that's going to last

Cat Stevens

In these pages we have
captured, forever, a few
moments of 1974;

A year of change.

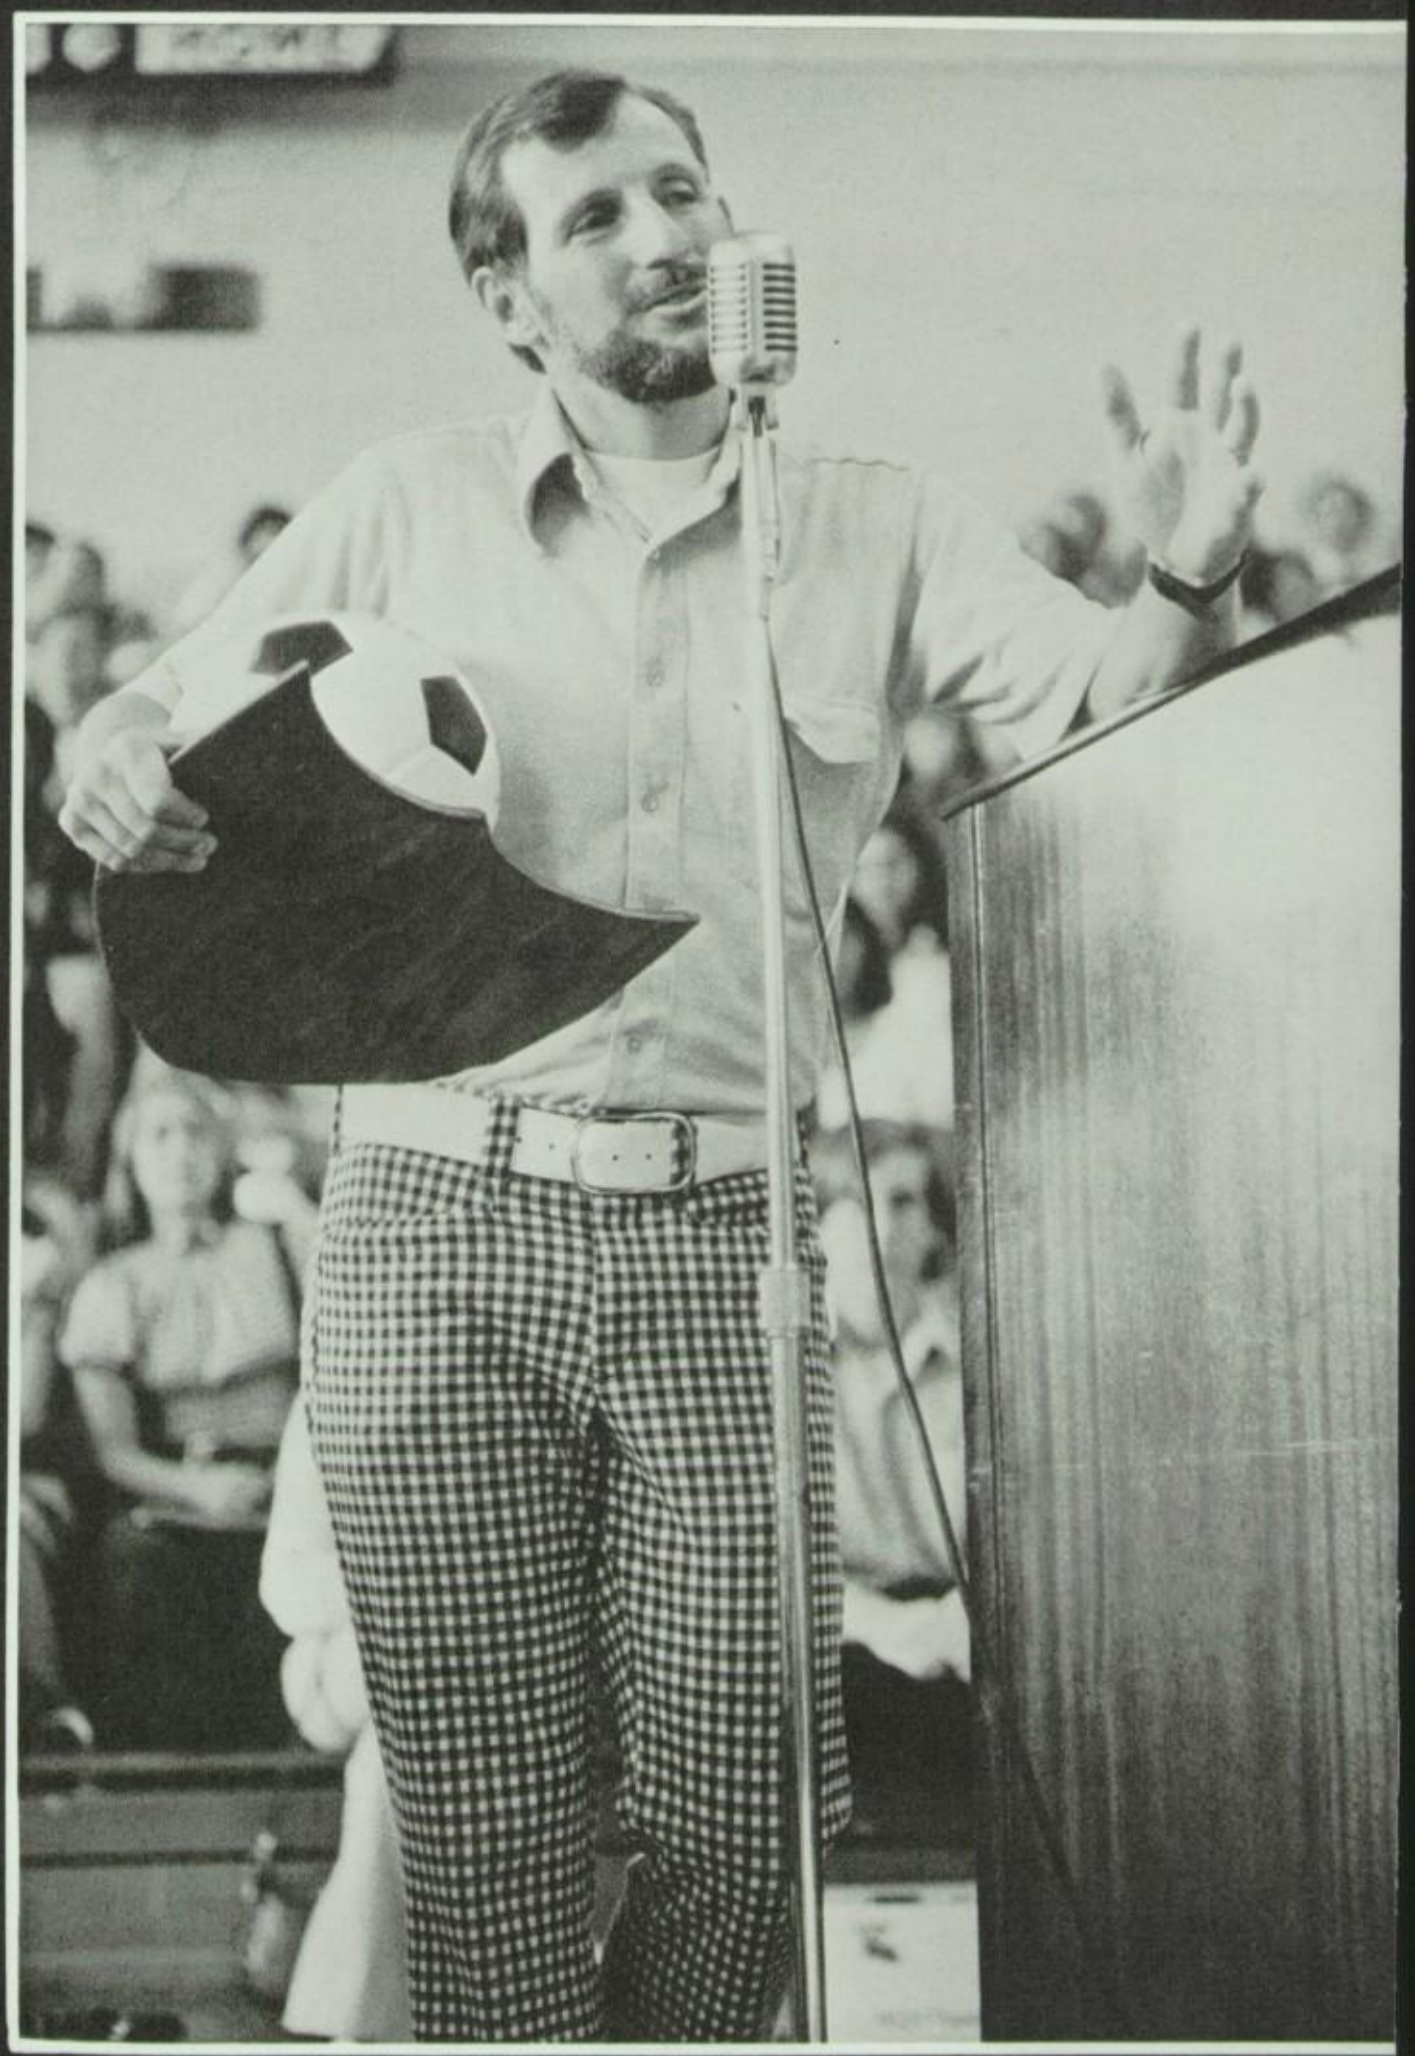
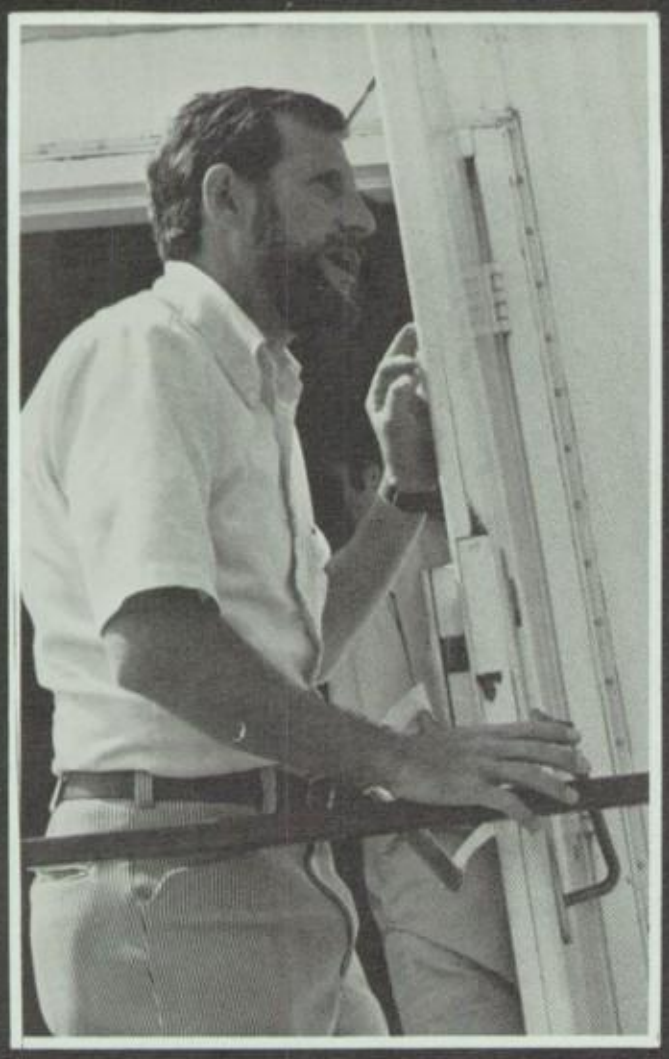
KODIAK 1974



DEDICATION:



This year's KODIAK was dedicated to a man who greatly impresses all those associated with Buchser High, students and faculty alike. Mr. Brauss's positive attitude and enthusiasm is felt by all of those with whom he comes in contact. He always demonstrates a personal concern for those in the community as well as the students in his classes. The KODIAK staff is proud to dedicate this book to such a fine man.

The 1974 Buchser Bruin Varsity Football Team finished the season with a final record of 2 wins and 8 losses. The team really put a terrific effort into the games this year, for they never gave up and they were always out on the field fighting with everything they had. Unfortunately it didn't show up on the scoreboards. The Bruin victories were over Mountain View 42-39 and our Homecoming game against archrival Santa Clara, 20-28. The team set an Individual Game record against Awalt with 12 receptions for 182 yards.

This year's outstanding players were: Terry Hintz, setting a new record with 17 kick-off returns, 3 TDs for 445 yards, Kip Lockwood and Rick Steele both having a total of 96 tackles this season. All-League honors went to two Bruins this year. They were: Dan Gallagher, offensive end and the League's top receiver, and Dartt Wagner, Defensive end. Honorable mentions went to Quarterback Rob Bronson and Dave Winton, Guard. Coaching this year were head coach Warren Hayashi and assistant coaches Ben Birkel and Cliff Harris. The team thanks Miss Joan Golarte for being their water girl.

Varsity Waterpolo

Once again Buchser brought forth the best high school water polo team in the nation. The team, twenty-three outstanding poloists, thirteen of which will graduate this year, demonstrated the mastery of this fascinating, physically involved sport.

Buchser poloists fought hard to keep their title as number one in the nation. The Bruins pushed through teams ranging from neighboring Santa Clara to teams in Southern California, where they remained undefeated in the summer tournament. The Bruins again placed first in the Northern California Invitational.

The two most outstanding players were Mike Loughlin, voted all-league Most Valuable Player, and Dave Post, first team all-league. Other dependable starters were Jerry Feliciano, Mark Dessert, Keith Applegate, Bill Burgess, and goalie Kevin Coppe.

Sophomore Mark Vigeant and Junior Keith Applegate are noted to be promising players for next year, says Coach Bob Wegmen. Coach Wegmen's dedication and skill were a prime factor in making the Buchser poloists the success they were this year.

Sophomore John Eager

This year's cross country teams had their ups and downs. Starting with the varsity squad, consisting of one senior, Larry Katsanes, and two juniors, Dave Bullard and Dave Rock. The squad was handicapped throughout the season and did not finish well this year because of injuries. Coach Hale said that next year's squad will be stronger when three juniors, John Elliot, Dave Hochmuth, and Doug Kern, and two sophomores, Ken Arno, and John Eager move up to varsity.

The freshmen runners this year have shown a lot of promise for future years. Among the top were Neil Creger, Rick Quon, Eric Bailey, Stuart Jones, and Jim Banks. They won the City Championship and placed fourth in the SCVAL.

Varsity Basketball

This year's Varsity Basketball had another winning year with a league record of 11 wins, 1 loss and an overall record of 20 wins & 5 losses, which gave them first place in the SCVAL National Division.

This year's success was the result of team effort. Every member carried an equal load on and off the court. The Bruins had a very strong starting line up. Leading the team in points scored (321) was D.Gallagher, voted MVP in the League, also Basketball Player of the Year by the Santa Clara Sun. Co-captain Rob Bronson, Honorable Mention All-League, led the team in rebounds with 100 offensive and 119 defensive. Co-captain Jim Blamey, 1st Team All-League and 3rd in scoring with 274 pts all season. Tom Stephens, 2nd Team All-League, 2nd in scoring with 300 pts all season. Varsity Baseball

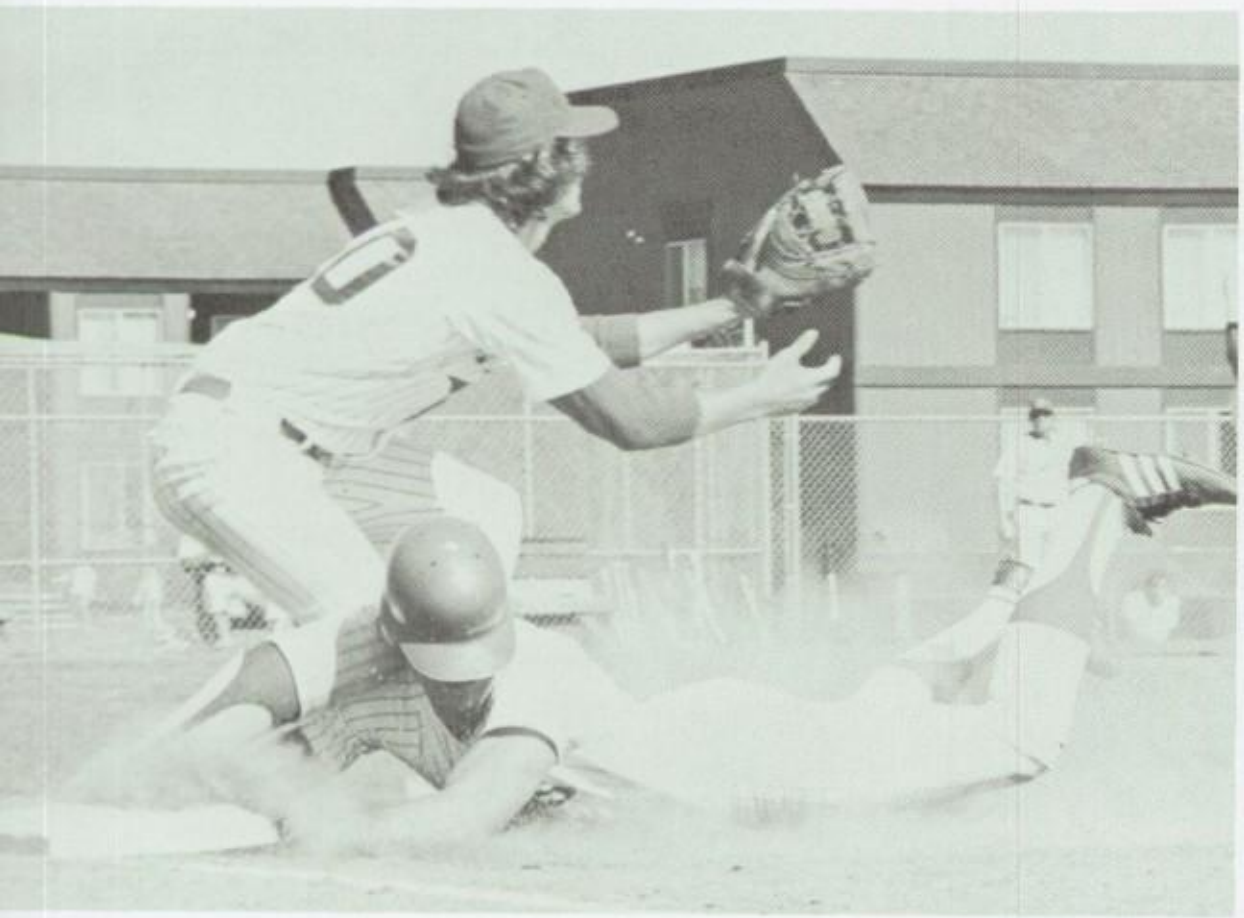
It was a frustrating year for the Varsity Baseball team. The Bruins finished the season with an overall record of 16 wins-9 losses and 11-9 in league play, putting them a strong second in the SCVAL National Division. For example, the Bruins went into the Shaughnessy Playoffs with high hopes of winning, but lost the opening game to Sunnyvale 1-0, on a run scored in the seventh inning on an error.

The Bruins had an outstanding line up with many fine backup players. Proving this, we had four members selected to 1st Team All-League positions. They were Dan Gallagher, who played first base fautlessly and batted .381 for the season. Dartt Wagner, centerfield, who batted an impressive .371, Robin Buchanan, shortstop and Brian Cherevko, the team's star pitcher.

Both Joe Charboneau and Jim Blamey earned Honorable Mention positions.



Frosh

The Frosh Baseball team, coached by Mr. Tom Mlakar, began the season with high hopes of a winning season, they closed the season with a 6-6 record in league play but an impressive 9-6 record overall.

Earning five out of the six wins in league play was the team's outstanding pitcher Rob Ferguson, along with the strong batting of Bill Rouse. Both were voted to honorable mention All-League. Rich Fevinger, another outstanding player was voted to 1st team ALL-LEAGUE. Other fine back-up players were Eric Bailey, Vince Lucia, Mark Stevens.

Coach Belli expects more from these swimmers and others next year.

FOREIGN EXCHANGE

CHRISTINE JONSSON

Christine feels glad to have been a part of Buchser for the year she has been here. She loves jazz dancing, music, writing and likes the outdoors. After graduation she plans to return to school in Sweden and study to be an engineer. She would also like to travel to a foreign country and perhaps work there for a couple of years after finishing her education.

Remy, our energetic exchange student, hails from Rennes, France. Like most exchange students he likes to travel and also loves dancing. This year he participated in the Buchser En Soiree as the "Little Man". He says that he liked the Song girls, cheerleaders, the band and especially the sport of basketball. His future goal is to go to college and eventually become a P.E. teacher.

REMY JEUSSET

MAARIT LINDVALL

The oldest of our foreign exchange students, Maarit Lindvall, comes from the country of Finland. This shy but friendly student likes music, especially the music of Cat Stevens.

For three weeks our own Buchser High School hosted nine Japanese students and their teacher from the Chiba and Higashi High Schools in Chiba, Japan. They were able to attend an American high school and view the way it was run. After spending their three weeks at Buchser they went on a sight seeing tour of California and later returned back to their home in Japan.

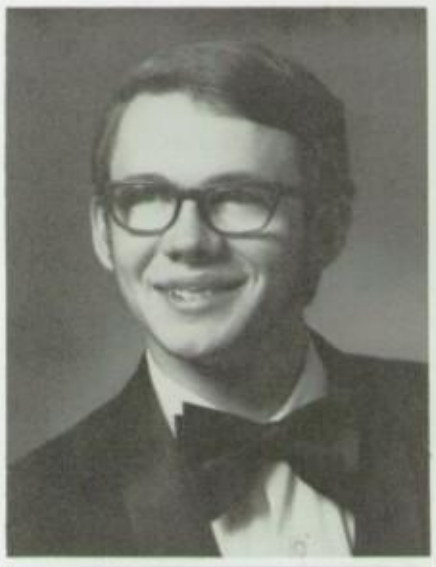
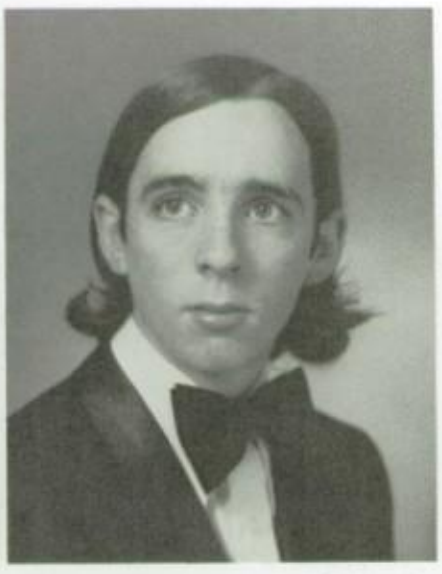
David E. Wiggins
Dave feels that "anything worth having is worth waiting for." His main activities seem to center around the music department as he was in Marching Band, musicals, and Madrigal. He served as Drum Major in his senior year. Although Dave will probably go to college or possibly the military, he says he could really dig being a senior for the rest of his life.



Nancy L. Wilkinson
Nancy, our fiery Spirit Commissioner wants to be remembered as bopping around in her Model "A". She plans to attend Cal Poly, major in Social Science And become a juvenile probation officer. While at Buchser she was involved in the Rally Club, Soccer Support, Student Government, and Bear Prints.

Steve R. Williams
Steve plans on getting a boat and doing lots of water skiing. He hopes to become an Electronics Engineer.

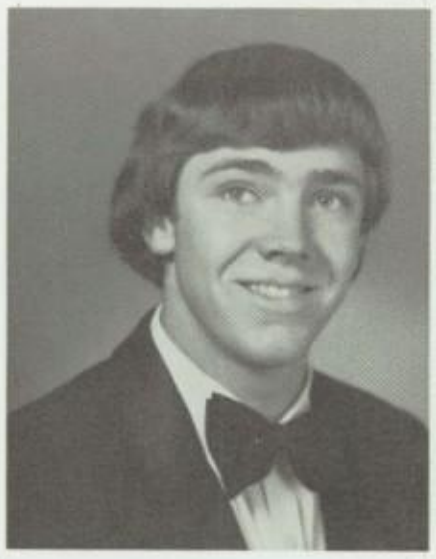
Colleen M. Wilson
Colleen wants to be remembered as a rah-rah as she was song girl for two years. She was also involved in the Rally Club, French Club and G.A.A. Colleens most embarrassing moment was when she fell on her way to do a song girl routine. She plans to go to college and then become an airline stewardess.



W. Michael Winn
If Mike could be anything in the world he would like to be a Japanese gardener. He enjoys fishing and hunting and plans to become a prospector and a fireman.

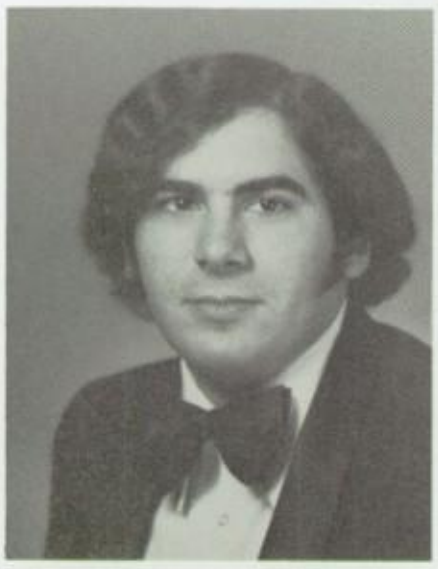
David O. Winton
Dave has played football at Buchser for three years receiving the "Lineman of the Year" and "Most Improved Player" trophies. His future plans are to go to college and to continue playing football.

Deborah A. Wiser
Debby would like to be the sun so that she could brighten everyone's day. She plans to go to college and become a high school teacher, to serve a mission for her church and have tons of kids. While at Buchser Debby was involved in CSF, Colorguard (head 1 year), sports, and activities concerning the Morman church to which she belongs.



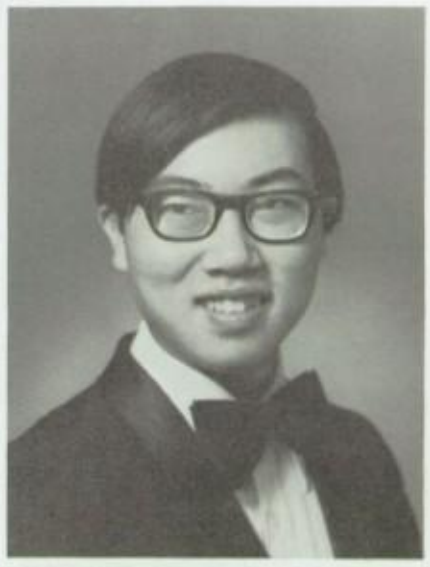
James L. Wood
Known for his ability to come up with the right line at the right time, Jim enjoyed his years at Buchser. He plans to go on to San Jose State and major in business. Part of his personal philosophy is, "Living life without a goal is like shooting a cannon without a target; you don't know where either one will land.

Janet Wood
Janet was active in Mat Maids for 3 years while at Buchser and plans to continue her education at West Valley J.C. Janet says "Smile and you'll never be alone."



Jeff Wright
Jeff was often seen putting around in his little red sports car. He was active in the Music Department for all four years while at Buchser. Jeff will be going on to attend law school after a four year stay at San Jose State.

Joseph C. Wu
Joe was well known around campus for his great enthusiasm and intellectual abilites. Joe was also distinguished as being Buchser's only National Merit Scholar. He will be attending Stanford next year and sees many possibilities open to him concerning his profession. Joe's words of wisdom — "You can get things done if you keep pushing."



Judy Y. Yamauchi
Judy says, "Make the most of your four years here cuz these are the best years of your life." These words of wisdom reflect the way that Judy has applied herself to school as she is very active. She was involved in Student Government, the Ski Club, and G.A.A. She plans to attend college and hopefully become a dental hygenist.

Ismael Zavala Jr.

Karen Zercher
Karen is planning to spend her summer camping and going to the beach, then get an apartment and attend West Valley in the fall. She is a strong believer in individuality and leaves us with these words, "Try everything once!!"

Joseph R. Zigon
Joe plans on entering college and majoring in law enforcement. Already he has become a lieutenant in the Santa Clara Cadet program. His future ambitions are reflected in his words of wisdom, "Crime doesn't pay."
